## New Meany-Holland Professor

### Dr. Janet Colbert Joins Faculty

We are pleased to announce that the Meany-Holland Professorship has been filled. Dr. Janet Colbert, formerly with Auburn University, will serve as the Meany-Holland Professor for an initial three-year term beginning July 1, 1993.

Dr. Colbert received her BS in accounting from the University of Illinois. She practiced public accounting before going back to school to earn her MBA with a concentration in accounting from Auburn University. She taught there for three years before returning to earn her Ph.D in accounting at the University of

Georgia. Her area of expertise is auditing and financial accounting.

In addition to her practical experience, Dr. Colbert also brings an impressive academic record to the Hill. She has had numerous articles published and has presented seminars and papers at meetings throughout the country. She has also served on various influential educational committees.

We are very pleased to add such a highly regarded person to our faculty, and we would like to welcome Dr. Janet Colbert to the accounting faculty.

## Member Wins Outstanding Manuscript at Regional Meeting

The 1993 Southeastern regional meeting was held March 26-28 in Greensboro, North Carolina. Western Kentucky University's Eta Omicron Chapter had six representatives attending the meeting: Dana Hire, Travis Armstrong, Barbara Hale, Diane Olsofka, Christina Burden, and Carolyn Long. The theme of this year's meeting was "Meeting the Leadership Challenge in a Dynamic Environment."

The different sessions

included various Beta Alpha Psi chapters presenting ideas for service projects, chapter activities, and community involvement. A workshop was also held on leadership skills.

One of the highlights of the meeting was the student manuscript contest in which students from chapters throughout the region presented papers. Eta Omicron member Christina Burden presented a paper entitled "Research and Development Expenditures:

Consideration for Capitalization in a Global Marketplace Environment." Out of all the manuscripts submitted and presented, Christina's manuscript was selected as the best. We would like to congratulate Christina for the recognition she has brought to Western and to the Eta Omicron Chapter.
